SEMI-CUSTOM COVER INSTRUCTION GUIDE

STEP 1: Select your Semi-Custom Cover.

Review the Semi-Custom Cover templates available and make your selection.

STEP 2: Pick your colours

You can pick two colours for your semi-custom covers: a first colour (the colour of school name and logo) and a second colour (an accent or supporting colour). View the Colour Chart on page 3 for your colour options.
The chart below shows samples of our semi-custom cover templates and lists the first and second colours in each sample.

The following semi-custom covers allow you to choose one accent colour and add three personal photos.
To help highlight the photo spaces, and to show the location in which your photos will appear, we have screened the spaces in red. This information will help you when you are uploading your photos to the Online Materials Submission tool.

On Campus
Accent: Blue 2945

*Numbers indicate the location in which your photos will appear

Show Your School
Accent: Black

*Numbers indicate the location in which your photos will appear

School Focus
Accent: Red 193

*Numbers indicate the location in which your photos will appear

Ensure all images are high resolution (300 dpi). If the image is pixelated on your screen, it will print the same way!

Proofread your cover carefully. Your cover will print exactly as submitted.

STEP 3: Submit your selections using the Online Material Submission tool.

When it's time to submit your semi-custom cover selections, you will receive an email with a link to our Online Materials Submission tool.
